EXPLANATORY STATEMENT IN RESPECT OF SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT,2013 IN RESPECT OF RESOLUTION

Annexed to the Notice Convening the Thirty Sixth Annual General Meeting to be held on Saturday 25th September, 2021.

Item No. 1

As per section 197 of the Companies Act 2013 as amended by Companies Amendment Act 2017 which has become effective since September 2018, total managerial remuneration payable by the company to its directors including managing director, whole time director and manager in respect of any financial year may exceeds 11% of the net profit of the company calculated as per section 198 of the Companies Act 2013, provided that the same has been approved by the shareholders of the company by way of special resolution. The requirement of Central Government approval which was hereto required has been done away with.

Pursuant to recommendation of Nomination and Remuneration Committee, the Board of the Directors of the Company in its meeting on 11th August 2020 recommend to increase the overall limit of managerial remuneration payable by the company in respect of any financial year from in matter laid down in section 198 of Companies Act, 2013.

Accordingly the board recommended the Special Resolution set out in item no. 1 for approval of members.

None of the Directors or KMP including their relative is interested in resolution financially or otherwise except to the extent of their shareholding, if any, in the company.

Item No. 2

Approval for entering into related party transactions

During the normal course of business company needs to enter into various transactions with certain related party. Although the management of the company endeavors to undertake the transactions at Arm's Lengths Price, however, at times it may happen that establishing the Arm's Lengths Price is very difficult or not possible because of peculiar nature of transactions and such transactions may attract the provisions of Section 188 of Companies Act 2013.

All entities falling under definition of related party shall abstain from voting irrespective of whether the entity is party to the particular transaction or not.

The Board recommends the resolution set forth in Item no. 2 for the approval of members.

ANNEXURE TO DIRECTORS' REPORT

MANAGEMENT DISCUSSION AND ANALYSIS:

Your Directors have pleasure in presenting the Management Discussion and Analysis Report for the year ended on 31st March 2021.

FORWARD-LOOKING STATEMENTS:

This report contains forward-looking statements based on certain assumptions and expectations of future events. The Company, therefore, cannot guarantee that these assumptions and expectations are accurate or will be realized. The Company's actual results, performance or achievements can thus differ materially from those projected in any such forward-looking statements. The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements, on the basis of any subsequent developments, information or events.

OPPORTUNITIES AND THREATS:

The fundamental growth drivers of the country's economy as well as our company continue to remain strong despite the pressures of slowdown and inflationary conditions prevalent till recently in the nation and also globally.

The Covid-19 pandemic has infected many people in the world and impacted humanity, lifestyles, businesses, economies and most importantly the mental health. In India, timely lockdown measures and proactive steps taken by the Government authorities have helped in containing its spread. But, it impacted the demand, supply and liquidity as the economic activities came to a standstill.

Ability to think strategically and identify and critically assess strategic opportunities and threats and develop effective strategies in the context of the strategic objectives of the Company's policies and priorities.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

The Company has proper and adequate internal control system commensurate with the size of the business operations geared towards achieving efficiency in its various business operations, safeguarding assets and compliance with statutory regulations. The management is ensuring an effective internal control system to safeguard the assets of the company. Efforts for continued improvement of internal control system are being consistently made in this regard.

HUMAN RESOURCES VIS-À-VIS INDUSTRIAL RELATIONS:

The Company values and appreciates the dedication and drive with which its employees have contributed towards improved performance during the year under review. The industrial relations with staff and officers are cordial during the year under review. All issues pertaining to staff matters are resolved in harmonious and cordial manner.

CAUTIONARY STATEMENT:

Statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations may be 'forward looking statements' within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand/supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government regulations, tax laws, and other statutes and other incidental factors.

FINANCIAL PERFORMANCE REVIEW OF THE COMPANY:

Despite a challenging situation due to COVID-19 spread, business environment and increase in competitive intensity, and impact of blocked funds with customers are seen in its performance. A critical appraisal is made by the Audit Committee before drawing Statement of Accounts and the Board also reviewed the same on each occasion.

- Total Revenue is Rs. 316.99 lacs.
- Reserve and Surplus – Total accumulated profit as on 31-03-2021 is Rs. 491.80 lacs
- Loan Profile – The Company has taken secured loan of Rs. 43.15 lacs

- Investments – The Company has made fresh investment during the year.
- Cash and Bank Balance – The Company had adequate liquidity of Rs 5.66 lacs as cash in hand and in the various Bank Accounts.

DISCLOSURE BY THE MANAGEMENT:

Your Board has received confirmation from its managerial staff that they had no personal interest in any material, financial and commercial transactions of the company except as mentioned elsewhere in the report.

INTERNAL CONTROL SYSTEM AND RISK MANAGEMENT:

The Company has an in-house team in internal audit department and also availed services of external firms of consultants and chartered accountants to help the Company to strengthen the internal audit and risk management functions.

CAUTIONARY STATEMENT:

Statement in this report, particularly those which relate to Management Discussion and Analysis, description of company's objective, estimates and expectations may constitute forward looking statements within the meaning of applicable laws or regulations. Actual results might differ materially from those either. The Company takes no responsibility for any consequence of decisions made based on such statements and holds no obligation to update these in the future.

RISK MANAGEMENT:

The Company has a risk management framework in place under which the management identifies and monitors business risks on a continuous basis and initiates appropriate risk mitigation steps as and when required. The Company periodically place before the Board the risk assessment and minimization procedures being followed by the company and steps taken by it to mitigate those risks through a properly defined framework.

5. DISCLOSURES:

a) Disclosure of accounting treatment in preparation of financial statements

The Company has followed accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) as specified under Section 133 of Companies Act, 2013 (“the Act”) and other relevant provision of the Act. The Company has uniformly applied the Accounting Policies during the period presented.

b) Statutory Compliance, Penalties and Strictures

The Company has, complied with all requirements of the Listing Regulations, entered with BSE and CSE, as well as regulations and guidelines of SEBI. Consequently, no penalties or strictures are imposed by SEBI or the Stock Exchanges or any statutory authority for non-compliance of any matter related to the Capital markets.

c) Details of compliance with mandatory requirements and adoption of non-mandatory requirements:

The Company has complied with all the mandatory requirements as recommended by Listing Regulations with stock exchanges and is in the process of examining the implementation of some of the non-mandatory requirements.

The Company has partially adopted the non-mandatory requirements. Disclosures of the extent to which the discretionary requirements have been adopted are given elsewhere in this report.

d) Certificate from Practicing Company Secretary

A certificate confirming that none of the Directors on the Board of the Company has been debarred or disqualified from being appointed or continuing as directors of companies by the Securities and Exchange Board of India, Ministry of Corporate Affairs or any such other Statutory Authority, has been received from Mrs. Ayushi Khatan of M/s. Ayushi Khaitan & Co, Company Secretaries.

e) Prevention of Insider Trading

In accordance with the provisions of SEBI (Prohibition of Insider Trading) Regulations, 2015, as amended from time to time, the Board of Directors of the Company has adopted the revised 'Code of Conduct to Regulate, Monitor and Report Trading by Designated Persons' with a view to regulate trading in securities of the Company by insiders.

The Code prohibits the insiders from dealing in the securities of the Company on the basis of any unpublished price sensitive information available to them by virtue of their position in the Company. The Code also provides for periodical disclosures from designated persons as well as pre-clearance of transactions (above threshold) by such persons so that they may not use their position or knowledge of the Company to gain personal benefit or to provide benefit to any third party.

f) Management Discussion and Analysis Report

Management Discussion & Analysis Report for the year under review, as stipulated under SEBI (Listing Obligation & Disclosure Requirements) Regulations, 2015 is presented in a separate section forming part of this report.

g) Vigil Mechanism

The Company promotes ethical behavior in all its business activities and has put in place a mechanism for reporting illegal or unethical behavior. The Company has a Vigil policy and it provides adequate safeguards against victimization of Director(s)/ employee(s) and direct access to the Chairman of the Audit Committee in exceptional cases.

h) CEO/CFO Certification

The CEO and CFO of the Company has given a certificate to the Board of Directors as per Part B of Schedule II to the Regulation 17 (8) of the listing Regulation for the year ended March 31, 2021.

i) Disclosures in relation to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

**CERTIFICATE OF COMPLIANCE WITH THE CORPORATE GOVERNANCE
REQUIREMENTS**

To
The Members,
Ankur Marketing Limited
210, Ruby Park Kasba Rathtala
Kolkata-700078
West Bengal

I have examined the compliance of conditions of Corporate Governance by **Ankur Marketing Limited** (the Company) for the year ended on March 31, 2021 as per relevant provisions of the Securities Exchange Board of India (Listing Obligation and Disclosure Requirement) Regulation, 2015 (the 'Listing Regulations').

The compliance of conditions of Corporate Governance is the responsibility of the management. My examination was limited to a review of the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given to me, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Regulations, as applicable.

I further state that such compliance is neither an assurance as to future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
ANKUR MARKETING LIMITED

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of **ANKUR MARKETING LIMITED** (“the Company”), which comprise the Balance Sheet as at March 31, 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the “financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, the profit and total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“ICAI”) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these financial statements that give a true and fair view of the Financial Position and Financial Performance including Other Comprehensive Income, Cash Flows and the statement of Changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian

Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standard) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure - A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we further report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

Annexure – “B” to Independent Auditor’s Report

Statement referred to in paragraph 2(f) under the heading “Report and Other Legal Regulatory Requirements” of Auditor’s Report on even date to the Members of **Ankur Marketing Limited**.

REPORT ON THE INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING UNDER CLAUSE (i) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (“THE ACT”)

We have audited the internal financial controls over financial reporting of **ANKUR MARKETING LIMITED** (“the Company”) as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS’ RESPONSIBILITY

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants Of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of

financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the financial statements	
1	Corporate information
	The Company Ankur Marketing Limited was duly incorporated on 5th February, 1985 under Companies Act, 1956 at Union territory of Delhi and is categorized as Company Limited by shares and a Non-Government Company. The certificate pursuant to Section 149 (2A) of the Companies Act, 1956 for commencement of business was given on 15th February, 1985. The Company is primarily engaged in trading activities, secured lease rentals and transportation business.
	The registered office of the Company is situated at D-9, Jungpura Extension, New Delhi-110 014. Corporate office of the Company is situated at 210, Ruby Park, Kasba, Rathtalla, Kolkata- 700 078.
	The shares of the company are listed at Metropolitan Stock Exchange w.e.f 20.09.2019 (Approval dt 17.09.2019).
2	<u>Significant Accounting Policies</u>
2.1	Statement of Compliance
	These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time. The financial statements have also been prepared in accordance with the relevant presentation requirements of Companies Act, 2013.
2.2	Basis of accounting and preparation of financial statements
	These financial statements have been prepared on historical cost basis, except for certain items which are measured at fair value at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.
2.3	Use of estimates
	The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and judgements that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.
	Estimation of uncertainties relating to the global health pandemic from COVID-19
	The outbreak of corona virus (COVID 19) pandemic in India is causing significant disturbance and slow down of economic activity. The Company's operations and revenue during the period were impacted due to COVID 19. The company has considered the possible effects that may result from the pandemic relating to COVID-19 on the preparation of financial statements including its assessment of recoverable values of its assets. The Company has carried out this assessment based on available internal and external sources of information. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements.
2.4	Property, Plant and Equipment
	Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of Property, plant and equipment recognised as at 1st April, 2015 measured as per the previous Generally Accepted Accounting Principles (GAAP).
	Cost is inclusive of inward freight, duties and taxes and incidental expenses related to acquisition. Depreciation of these assets commences when the assets are ready for their intended use which is generally on commissioning. Items of property, plant and equipment are depreciated in a manner that amortizes the cost (or other amount substituted for cost) of the assets after commissioning, less its residual value, over their useful lives as specified in Schedule II of the Companies Act, 2013 on a straight line basis. Land is not depreciated.
	The estimated useful lives of Property, plant and equipment of the Company are as follows: a) Vehicles: 6 years b) Office Equipment: 3-5 years c) DG Set: 10 years
2.5	Investment Property

	<p>Investment properties are held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.</p>
2.6	Impairment of Non-financial Assets
	<p>The Company assesses at each reporting date as to whether there is any indication that any Property, Plant and Equipment, called Cash Generating Units (CGU) may be impaired. If any such indication exists, the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any.</p> <p>An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use.</p> <p>Impairment losses recognised in prior years are reversed when there is an indication that the impairment losses recognised no longer exist or have decreased. Such reversals are recognised as an increase in carrying amounts of assets to the extent that it does not exceed the carrying amounts that would have been determined (net of amortization or depreciation) had no impairment loss been recognised in previous years.</p>
2.7	Inventories
	<p>Inventories comprising investments in equity instruments are initially recognised at transaction cost and are subsequently measured at Fair Value through Profit & Loss (FVTPL). However, in respect of particular investments in equity instruments that would otherwise be measured at fair value through profit or loss, an irrevocable election at initial recognition may be made to present subsequent changes in fair value through other comprehensive income.</p>
2.8	Financial Instruments, Financial Assets , Financial Liabilities and Equity Instruments
	<p>Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date when the Company commits to purchase or sell the asset.</p>
	Financial Assets
	Recognition:
	<p>Financial assets include Investments, Trade Receivables, Security Deposits, Advances given, Cash and Cash equivalents. Such assets are initially recognised at transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.</p>
	Classification:
	<p>Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.</p>
	<p>Financial assets are classified as those measured at:</p> <p>(a) amortised cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest.</p> <p>(b) fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.</p> <p>(c) fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.</p> <p>Trade Receivables, Advances, Security Deposits, Cash and Cash equivalents etc. are classified for measurement at transaction cost while investments are stated as fair value through other comprehensive income.</p>
	Impairment:
	<p>The Company assesses at each reporting date whether a financial asset (or a group of financial assets) such as investments, trade receivables, advances and security deposits held at transaction cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is available without undue cost or effort. Expected credit losses are assessed and loss allowances recognised if the credit quality of the financial asset has deteriorated significantly since initial recognition.</p>

	Reclassification:
	When and only when the business model is changed, the Company shall reclassify all affected financial assets prospectively from the reclassification date as subsequently measured at amortised cost, fair value through other comprehensive income, fair value through profit or loss without restating the previously recognised gains, losses or interest and in terms of the reclassification principles laid down in the Ind AS relating to Financial Instruments.
	De-recognition:
	Financial assets are derecognised when the right to receive cash flows from the assets has expired, or has been transferred, and the Company has transferred substantially all of the risks and rewards of ownership. Concomitantly, if the asset is one that is measured at:
	(a) amortised cost, the gain or loss is recognised in the Statement of Profit and Loss;
	(b) fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.
	Financial Liabilities
	All Financial Liabilities are recognised at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost. Borrowings are subsequently measured at amortised cost. Financial Liabilities are carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments. Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.
	Offsetting Financial Instruments
	Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.
2.9	Revenue recognition
	Revenue from the sale of goods and services is recognised when the company performs its obligations to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable. Revenue from sale of goods/services is shown to exclude taxes such as Goods and Service Tax which are payable in respect of sale of goods and services. Interest income is recognised on contractual basis and not on effective interest method.
	The Company has evaluated the impact of COVID-19 on its revenue generating activities. The Company has concluded that the impact of COVID-19 is not material based on its estimates. Due to the nature of the pandemic, the Company will continue to monitor developments to identify significant uncertainties relating to revenue in future periods.
2.10	Leases
	Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially, all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.
2.11	Taxes on Income
	Taxes on income comprises of current taxes and deferred taxes. Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years. Income tax, in so far as it relates to items disclosed under other comprehensive income or equity, are disclosed separately under other comprehensive income or equity, as applicable.
	Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities and the amounts used for taxation purposes (tax base), at the tax rates and tax laws enacted or substantively enacted by the end of the reporting period. Deferred tax assets are recognised for the future tax consequences to the extent it is probable that future taxable profits will be available against which the deductible temporary differences can be utilised.

	The Company has computed the tax expense for the current financial year as per the amended tax provision under Finance Act 2019 under section 115BAA of the Income Tax Act, 1961. Accordingly, (a) the provision for current and deferred tax has been determined at the rate of 25.17%.
2.12	Provisions and contingent liabilities
	Provisions are recognised when, as a result of a past event, the Company has a legal or constructive obligation; it is probable that an outflow of resources will be required to settle the obligation; and the amount can be reliably estimated. The amount so recognised is a best estimate of the consideration required to settle the obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation. In an event when the time value of money is material, the provision is carried at the present value of the cash flows estimated to settle the obligation.
	Contingent liabilities are not recognised in the financial statements. Contingent assets are neither recognised nor disclosed in the financial statements.
2.13	Additional Notes to Financial Statements
i)	Financial Assets: a) Fair value of Financial Assets in the nature of Investments into Equity Shares of other companies are calculated on the basis of (net asset value) book value of the Investee company for the year ended March'2020 provided to us and are measured at fair value through other comprehensive income (FVTOCI). However in respect to investments made during the year, fair value under Rule 11UA based on valuation report has been considered instead of net asset value. b) As per the management declaration, financial loans repayable on demand are measured at transaction cost and are not measured at fair value. c) Financial Assets in the nature of Loans, Trade Receivables and Security deposits are measured at transaction value.
ii)	Financial Liabilities: a) Trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligation and as are payable in short maturity stated at their transaction value. b) Security deposit taken, being perpetual in nature, is measured at its transaction value. c) Secured borrowings are recognised at amortised cost.

Risk management framework
The company's board of directors has overall responsibility for the establishment and oversight of the risk management framework.
The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.
<u>a) Credit Risk</u>
Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, loans and advances to parties. The Company ensures that sales of services are made to customers with appropriate creditworthiness. The company has a prudent and conservative process for managing its credit risk arising in the course of its business activities.
<u>b) Liquidity Risk</u>
Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions.
<u>c) Market risk</u>
Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. The Company is only exposed to market risk primarily related to the market value of its investments into equity shares and loans and advances given.
Currency Risk
The Company is not exposed to currency risk since the company deals in only INR and not other currency.
Interest rate risk
Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.
Interest rate sensitivity - fixed rate instruments
The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss for any of these fixed interest bearing financial instruments.
