Dear Sir/Madam,

Subject: Revised Annual Report for FY 2022-23 - Regulation 34 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sir/Ma'am,

This is in furtherance wherein the Company had earlier on 6th December, 2023 submitted its Annual Report for FY 2022-23.

Kindly note that certain inadvertent typo error was noticed in the non-statutory section of the Annual Report. In view of the above, we are enclosing herewith the revised Annual Report of the Company for the FY 2022-23 along with the Notice of the 30th AGM. The revised report is also available on the website of the Company at www.ussglobaltd.com.

The same is for your information and kind records.

Thanking You,

Sincerely,

For USS Global Limited

17. The Company has a dedicated e-mail address info@ussglobal.com for Members to mail their queries or lodge complaints, if any. We will endeavour to reply to your queries at the earliest. The Company's website ussglobaltd.com has a dedicated section for investors.
18. Register of Directors and Key Managerial Personnel will also be kept open for inspection during the Annual General Meeting and accessible to the persons attending the Annual General Meeting.
19. Notice and the Annual Report are available on the website of the Company www.ussglobaltd.com. Members desiring any information relating to the annual accounts or any document pertaining to explanatory statement are requested to send an email to the Company at surnidhiinvestmentltd@gmail.com at least seven days before the date of AGM.

20. THE INSTRUCTIONS FOR SHAREHOLDERS FOR E-VOTING ARE AS UNDER

PROCEDURE FOR REMOTE E-VOTING

The remote e-voting period will commence on 27th December, 2023 at 09:00 A.M. (IST) and will end at 5:00 P.M. (IST) on 29th Decemeber, 2023. After that, the remote e-voting module shall be disabled by CDSL. Once the vote on a resolution is cast by the member, the member cannot modify it subsequently.

Members are requested to carefully read the instructions for remote e-voting before casting their vote. A person who is not a member as on the cut-off date should treat this notice for information purposes only.

- (i) Shareholders who have already voted prior to the meeting date through remote e-voting would not be entitled to vote at the meeting venue.
- (ii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

(iii) In terms of **SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by the Company, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email ID in their demat accounts in order to access e-Voting facility.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

{(Pursuant to Regulation 34 read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)}

1. COMPANY OVERVIEW

USS Global Limited (Formerly Known as Surnidhi Investment Limited) is a leading provider of financial strategy consultancy to its clients, enabling clients to create and execute strategies for their financial planning's. Our purpose is to improve the financial health, optimum utilisation of capital resources and working capital management. Our functional expertise is again a very balanced blend of finance, management, legal documentation and administration. The company is the leading provider of financial consultancy service.

Our strategic objective is to build a sustainable organization that remains relevant to the agenda of our clients, while creating growth opportunities for our employees, generating profitable growth for our investors and contributing to the communities that we operate in. There are numerous risks and challenges affecting our business.

2. MACRO-ECONOMIC ENVIRONMENT:

Of all the impactful factors over economic environment, another new after COVID-19, turn up as the most devastating i.e. Russia-Ukraine conflict. Russia-Ukraine War, that began in February 2022 has resulted in unprecedented hardships to every economy and every society on the globe.

This led to steep rise in prices of crude oil, edible oil, wheat and other supplies. Resultantly inflation has been on fire everywhere in the world and all countries have been forced to raise interest rates in an attempt to clip the wings of high-flying vulture, called Inflation. High interest rates in US led to FIIs rushing their monies from India back to USA which in turn has resulted in weakness of Rupee against dollar. The increase in policy rates had a cascading effect on interest rates on deposits and advances. Thus, we were compelled to pass on the rate rises to customers.

3. INDUSTRY STRUCTURE AND DEVELOPMENTS:

The company mainly focus on –

➤ **Investment Related Services :**

Your Company holds and manages securities for investment purposes, and offers investors a variety of funds and investment services. The money pooled is invested, and the investors share any profits and losses incurred by the company according to each investor's interest in the company.

➤ **Consultancy Activities :**

Financial management is crucial to business success, but not everyone knows where to start or how to proceed, Your Company provides the consulting services that help the clients to reach their financial goals.

4. OUR STRENGTHS:

We believe that we are well-positioned for the principal competitive factors in our business. With over three decades of experience in the investment and consultancy services, we have invested extensively in infrastructure and systems to enable learning and education across the enterprise at scale. We maintain high ethical and corporate governance standards to ensure honest and professional business practices and protect the reputation of the Company and our customers.

5. THREATS:

There are various threats as associated with the business of the Company such as:

- a) Limited range of products and service
- b) Skills gap in human resource capacity
- c) Competition with commercial banks in terms of pricing
- d) Limited Scope of the market
- e) Economic volatility

Even in the presence of the above said threat and adverse market conditions, we continue to remain optimistic about the long-term growth of the Business environment and the opportunities that it will offer across sectors.

6. OUTLOOK:

The Company has overcome the challenges posed by Covid. Our operational and financial results for FY 2023 have been significantly superior to those of the previous year. We have sound reasons to believe that the Company will continue to grow and the quality of investments made by the Company will keep improving which will yield the higher interest income. Moreover, we are committed to fulfil our responsibility being a responsible corporate citizen.

7. RISK MITIGATION STRATEGY:

Being an investment company, financial risk becomes the inherent part of our Business, and the losses cannot be overlooked, but the Company has adopted appropriate strategies to mitigate the financial risk to reach long-term financial goals.

Asset allocation and diversification are the most effective strategies to minimize financial risk. Allocating an investment portfolio to different asset categories by sector, industry, and region minimize financial risks.

Building a successful investment portfolio that achieves your goals starts with identifying your risk tolerance.

8. INTERNAL CONTROLS SYSTEMS AND THEIR ADEQUACY:

The Company has devised a robust internal control framework to safeguard the Company in keeping with the size and complexity of operations.

The Company reviews and tests the robustness of the internal control system, covering all functions and business areas, at regular intervals.

To protect the company, an internal control framework has been established that is robust and suited to the size and complexity of operations. The system is responsible for assuring compliance with operating systems, internal policies, and legal requirements, and suggesting improvements to systems and processes. The Company reviews and tests the robustness of the internal control system, covering all functions and business areas, at regular intervals.

The internal control systems are periodically reviewed by the management. The Internal Audit plan is approved by the Audit Committee at the beginning of every year.

INDEPENDENT AUDITORS' REPORT

To The Members,
USS Global Limited
New Delhi.

Report on the Audit of Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of **USS Global Limited** ("the company"), which comprise the Balance Sheet as at **31 March 2023**, the Statement of Profit and Loss, the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We are also responsible to conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern, if we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate to modify the opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause an entity to cease to continue as a going concern.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March 2023, its profit/loss and its cash flows for the year ended on that date.

Emphasis of Matter

There are no matters to be communicated in our report.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure a statement on the matters Specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **USS Global Limited** ("the Company") as of 31 March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

USS GLOBAL LTD

Notes to the financial statements for the year ended 31 March 2023

1. Significant accounting policies

a. Basis of preparation and presentation

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act. Effective April 1, 2016, the Company has adopted all the IND AS standards and the adoption is carried out in accordance with IND AS 101, First time adoption of Indian Accounting Standards, with April 1, 2015 as the transition date. The transition was carried out from Indian accounting principles generally accepted in India described under section 133 of the Act, read with rule 7 of the Companies (accounts) rules, 2014 (IGAAP), which was the previous GAAP. These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. The financial statements have been prepared on the historical cost basis.

b. Use of estimates and judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and other comprehensive income (OCI) that are reported and disclosed in the financial statements and accompanying notes. Actual results may differ from these estimates. These estimates and judgment are based on the management's best knowledge of current events, historical experience, actions that the Company may undertake in the future and on various other estimates and judgments that are believed to be reasonable under the circumstances. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

c. Current/ non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- 1) It is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle;
- 2) It is held primarily for the purpose of being traded;
- 3) It is expected to be realized within 12 months after the reporting date; or

4) It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date. Current assets include the current portion of non-current financial assets. All other assets are classified as noncurrent.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- 1) It is expected to be settled in the company's normal operating cycle;
- 2) It is held primarily for the purpose of being traded;
- 3) It is due to be settled within 12 months after the reporting date; or
- 4) The company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

Current liabilities include current portion of non-current financial liabilities. All other liabilities are classified as non-current.

d. Property

Recognition and measurement

Items of property are measured at cost, which includes capitalized borrowing costs. Cost of an item of property comprises its purchase price. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is de-recognized.

e. Employee benefits

Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognized for the amount expected to be paid, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

f. Revenue Recognition

Interest income

The company has earned income from interest and consultancy services.

g. Financial instruments

i. Recognition and initial measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability of another entity. Trade receivables are initially recognized when they are originated. All other financial assets and financial liabilities are initially recognized when the Company becomes a party to the contractual provisions of the instrument. A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii. Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at amortized cost or at FVTPL. Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets. A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

- The asset is held within a business model whose objective is to hold assets to collect contractual cashflows; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets. All financial assets not classified as measured at amortized cost as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortized cost at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Company makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- The stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected cash outflows or realizing cash flows through the sale of the assets;

- How the performance of the portfolio is evaluated and reported to the Company's management;
- The risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- How managers of the business are compensated –e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- The frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity. Transfers of financial assets to third parties in transactions that do not qualify for de-recognition are not considered sales for this purpose, consistent with the Company's continuing recognition of the assets. Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin. In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- Contingent events that would change the amount or timing of cash flows;
- Terms that may adjust the contractual coupon rate, including variable interest rate features;
- Prepayment and extension features; and
- Terms that limit the Company's claim to cash flows from specified assets (e.g. non-recourse features).

A prepayment feature is consistent with the solely payments of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition. Financial assets at amortized cost are measured at amortized cost using the effective interest method. Interest income recognized in Statement of Profit and Loss. Subsequent measurement and gains and losses Financial assets at FVTPL these assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in Statement of Profit and Loss. Financial assets at amortized cost these assets are subsequently measured at amortized cost using the effective interest method. The amortized

cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in Statement of Profit and Loss. Any gain or loss on de-recognition is recognized in Statement of Profit and Loss.

Financial liabilities

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in Statement of Profit and Loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in Statement of Profit and Loss. Any gain or loss on de-recognition is also recognized in Statement of Profit and Loss.

iii. De-recognition

Financial assets

The Company de-recognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Financial liabilities

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire. The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognized in Statement of Profit and Loss.

iv. Derivative financial instruments

Foreign exchange forward contracts are purchased to mitigate the risk of changes in foreign exchange rates associated with forecast transactions denominated in certain foreign currencies. The Company recognizes all derivatives as assets or liabilities measured at their fair value. The changes by marked to market then at each reporting date and the related gains (losses) are recognized in the Statement of Profit and Loss.

v. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis to realize the assets and settle the liabilities simultaneously.

h. Measurement of fair values

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs) When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

i. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand, which are not subject to risk of changes in value. Also for the purpose of the statement of cash flows, cash and cash equivalents consist of cash at banks and on hand.

j. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

k. Provisions

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that a cash outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future obligation at pre-tax rate that reflects current market assessments of the time value of money risks specific to liability. They are not discounted where they are assessed as current in nature. Provisions are not made for future operating losses. Provisions are reviewed at each balance sheet date.

l. Business combinations under common control

Business combinations arising from transfers of interests in entities that are under the control of the shareholder that controls the Company are accounted for as if the acquisition had occurred at the beginning of the earliest comparative period presented or, if later, at the date that common control was established; for this purpose comparatives are revised. Business combinations involving entities or businesses under common control are accounted for using the pooling of interests method. Under pooling of interests method, the asset and liabilities of the combining entities are reflected at their carrying amounts, the only adjustments that are made are to harmonize accounting policies. The identity of the reserves is preserved and they appear in the financial statements of the Company in the same form in which they appeared in the financial statements of the previous entity. The difference, if any, between the consideration and the amount of share capital of the acquired entity is transferred to capital reserve.

m. Taxation

Income tax comprises current and deferred tax. It is recognized in Statement of Profit and Loss except to the extent that it relates to a business combination or to an item recognized directly in equity or in other comprehensive income.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date. Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

19 Impact of Covid-19

The Company has considered the possible effects that may result from COVID-19 on the carrying amounts of financial assets, inventory, receivables, loans and advances, property plant and equipment, intangibles etc as well as liabilities accrued. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Company has used internal and external information. Having reviewed the underlying data and based on current estimates, the Company does not expect any material impact on the carrying amount of these assets and liabilities. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions. The Company has also evaluated the impact of the same on the aforementioned risks i.e. credit risk, liquidity risk, market risk, currency risk and interest risk and does not foresee any material impact on account of the same.
