12. Members holding shares in physical/electronic form are required to submit their bank account details, if not already registered, as mandated by SEBI.
13. Shareholders holding shares in dematerialized mode are requested to register complete bank account details with the Depository Participant(s).
14. SEBI, vide its circular dated 3 November, 2021 (subsequently amended by circulars) mandated that the security holders (holding securities in physical form), whose folio(s) do not have PAN or Contact Details or Mobile Number or Bank Account Details or Specimen Signature updated, shall be eligible for any dividend payment in respect of such folios, only through electronic mode with effect from 1 April, 2024, only upon furnishing the PAN, contact details including mobile number, bank account details and specimen signature.

Further, relevant FAQs published by SEBI on its website can be viewed at the following link : https://www.sebi.gov.in/sebi_data/faqfiles/jan-2024/1704433843359.pdf

15. Members may note that as per the Income Tax Act, 1961, as amended by the Finance Act, 2020, dividends paid or distributed by the Company after 1st April 2020, shall be taxable in the hands of the shareholders and the Company shall be required to deduct tax at source (TDS) at the prescribed rates from the dividend to be paid to shareholders, subject to approval of shareholders in the ensuing AGM. The TDS rate would vary depending on the residential status of the shareholder and the documents submitted by them and accepted by the Company.
 - a. All Shareholders are requested to ensure that the below information & details are completed and/or updated, as applicable, in their respective demat account(s) maintained with the Depository Participant(s):

Please note that the following information & details, if already registered with CCSL and Depositories, as the case may be, will be relied upon by the Company, for the purpose of complying with the applicable TDS provisions:

 - I. Valid Permanent Account Number (PAN)*
 - II. Residential status as per the Income Tax Act i.e. Resident or Non-Resident for FY 2023-24.

- III. Category of the Shareholder viz. Mutual Fund, Insurance Company, Alternate Investment Fund (AIF) Category I and II, AIF Category III, Government (Central/State Government), Foreign Portfolio Investor (FPI)/Foreign Institutional Investor (FI): Foreign Company, FPI/FII: Others (being Individual, Firm, Trust, Artificial Juridical Person, etc.), Individual, Hindu Undivided Family (HUF), Firm, Limited Liability Partnership (LLP), Association of Persons (AOP), Body of Individuals (BOI) or Artificial Juridical Person, Trust, Domestic Company, Foreign Company, Overseas Corporate Bodies, etc.
- IV. Email Address.
- V. Residential Address.

*If the PAN is not as per the database of the Income-tax Portal, it would be considered as invalid PAN. Further as per the Notification of Central Board of Direct Taxes, individual shareholders are requested to link their Aadhaar number with PAN.

- b. For Resident Shareholders, TDS is required to be deducted at the rate of 10% under Section 194 of the Income Tax Act, 1961 on the amount of dividend declared and paid by the Company in the financial year 2024-25 provided valid PAN is registered by the Shareholder. If the valid PAN is not registered, the TDS is required to be deducted at the rate of 20% under Section 206AA of the Income Tax Act, 1961.

However, in case the dividend is not exceeding ₹ 5,000 in a fiscal year to resident individual shareholder then no tax will be deducted from the dividend. If any resident individual shareholder is in receipt of Dividend exceeding ₹ 5,000 in a fiscal year, entire dividend will be subject to TDS @ 10%.

Even in the cases where the shareholder provides valid Form 15G (for individuals, with no tax liability on total income and income not exceeding maximum amount which is not chargeable to tax) or Form 15H (for individual above the age of 60 years with no tax liability on total income), no TDS shall be deducted.

- c. For Non-resident shareholders [Including Foreign Institutional Investors (FIIs)/Foreign Portfolio Investors (FPIs)], the TDS is required to be deducted at the rate of 20% (plus applicable surcharge and cess) under Section 195 or 196D of the Income Tax Act, 1961, as the case may be. Further, as per Section 90 of the Income Tax Act, 1961, the non-resident shareholder has the option to be governed by the provisions of the Double Tax Avoidance Treaty between India and the country of tax residence of the shareholder, if they are more beneficial to them.

For this purpose, i.e. to avail Tax Treaty benefits, the non-resident shareholders will have to provide the following:

- I. Self-attested copy of the PAN allotted by the Indian Income Tax authorities;
- II. Self-attested copy of valid Tax Residency Certificate obtained from the tax authorities of the country of which the shareholder is a resident;
- III. Self-declaration in Form 10F; and
- IV. Self-declaration in the attached format certifying:
 - Shareholder is and will continue to remain a tax resident of the country of its residence

during the Financial Year 2023-24;

- Shareholder is eligible to claim the beneficial Double Taxation Avoidance Agreement (DTAA) rate for the purposes of tax withholding on dividend declared by the Company;
- Shareholder has no reason to believe that its claim for the benefits of the DTAA is impaired in any manner;
- Shareholder is the ultimate beneficial owner of its shareholding in the Company and dividend receivable from the Company; and
- Shareholder does not have a taxable presence or a permanent establishment in India during the Financial Year 2023-24.

Strategic people and Organisation leadership to the Global Functions and Global Operation Centre. Organising development projects, design and roll-out strategies and programs to anticipate and meet long-term business needs on talent, organization and culture, leveraging analytics and market insights. Mrs.Rani Shokeen is qualified as Bachelor in Science, Masters of Art, Master of Business Administration (HR) from Symbiosis Institute of Management Studies, Executive education on Organisational Development with specialization on Team effectiveness, Organization Design and Change Management from Hult Ashridge Business School, UK.

The resolution seeks the approval of members for the appointment of Mrs.Rani Shokeen as an Independent Director of the Company for the first term with effect from 28th May 2024 to 30th September, 2028 (4 years and 4 months) pursuant to Sections 149, 152 and other applicable provisions of the Act and the Rules made thereunder (including any statutory modification(s) or re-enactment(s) thereof) and he shall not be liable to retire by rotation.

The profile and specific areas of expertise and other relevant information as required under the LODR Regulations and SS-2 are provided in additional information section of this Notice.

No director, key managerial personnel (KMP) or their relatives except Mrs.Rani Shokeen, to whom the resolution relates, is interested in or concerned, financially or otherwise, in passing the proposed resolution as set out in Item no. 6.

The Board recommends the Ordinary Resolution as set out in Item no. 6 of this notice for the approval of members.

ITEM NO.7

On recommendation of the Audit Committee, the Board of Directors of the Company at their meeting held on 28th May 2024 approved the appointment of M/s. Sandhya P & Co, Cost Accountants, Firm Registration No.004755, as Cost Auditor of the Company, to conduct the audit of Cost records relating to Pharmaceutical Formulations for the Financial Year 2024-25 at a remuneration of ₹70,000/- (Rupees Seventy Thousand Only) per annum, plus taxes and reimbursement of out of pocket expenses incurred by them in connection with the aforesaid audit.

In accordance with the provision of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014, Companies (Cost Audit & Records) Rules, 2014, the remuneration payable to the Cost Auditors as recommended by the Audit Committee and approved by the Board has to be ratified by the Members of the Company.

The Board recommends the resolution in relation to appointment of Cost Auditors and ratification of remuneration of cost auditor set out in Item No.7 of the Notice for approval of the Members by way of an Ordinary resolution.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT INDUSTRY STRUCTURE AND DEVELOPMENTS

Anglo-French Drugs & Industries Limited (AFDIL) commenced its operations in 1923 by importing and selling pharmaceutical products.

A few years later, the Company established its own manufacturing facilities in Bombay. By the year 1955, Anglo-French was one of the most reputed pharmaceutical organizations, manufacturing and marketing Sulpha drugs, Vitamins, Anti-Asthmatics and other ethical Specialities.

In 1959, Anglo-French became an associate of F-Hoffmann-La Roche, Basle, Switzerland. This association enabled Anglo-French to have an access to the molecules developed by F.Hoffmann-La Roche.

At the turn of the sixth decade, Anglo-French entered the field of manufacture of Injectable in India. The Company was the first to manufacture "Single Vitamin" injectable and a combination of B Complex Vitamins. Later on, once again, Anglo-French was the first to manufacture and market in India a combination of Vitamin B1 and Vitamin B12. With a view to modernizing its manufacturing facilities and preparing for further expansion, in 1972, the formulation manufacturing facilities of the Company were shifted from Bombay to Bangalore. In late 1970s, the Company established its multipurpose basic drugs manufacturing unit also at Bangalore. The Formulation facilities established in 1972 covered Tablets, Liquids, Capsules and Protein preparations.

In 1985, the controlling interest in the Company was acquired by the Kanoria group.

The Company has a well-equipped Quality Assurance Department, which thoroughly monitors quality of each and every product at every stage.

In 1996 a tableting only facility was established in Peenya Industrial Estate. In 2024 this facilities were upgraded to be PIC/S compliant.

COMPANY AND DIVISION WISE PERFORMANCE

At AFDIL, we are committed to our Vision of "Reaching People and Touching Lives Globally as a Leading Provider of Valued Medicines." We strive to achieve this vision through a well-defined strategy that focuses on sustainable growth, cost leadership, business development, balanced investments and future profitability.

AFDIL is in the business of health care to mitigate human ailments so it is very important to maintain the quality standards. Your AFDIL, are committed to providing pharmaceutical products of global quality standards all over the world.

All our businesses are well-positioned, and we expect high-single-digit consolidated top line growth for FY24-25. The expansion of our global specialty business is expected to continue. As business operations have normalised globally, overall expenses are expected to increase. Our R&D spending is expected to be about 7-8% of sales in FY24-25 with an increasing share of spending expected on clinical trials for specialty/Generic products.

AFDIL currently has the following divisions:

- **Manufacturing** – We are continuing to provide world-class tablet manufacturing and are contract manufacturing for many other companies.
- **Hospicare** - Hospicare products are focused on Orthopaedic doctors and general health, the division uses established channels of the institutional and surgical business to synergistically grow into a preferred partner for doctors.
- **Export** – AFDIL initiated exports in 1997 with registrations

of products in Russia. Over the past decade, we have gained experience to meet & exceed our international customer expectations.

Currently we have our presence in 16 countries across Eastern Europe, South East Asia & Africa. From a pure trading oriented approach in the early years of our export operations, we are significantly shifting our focus to operate as marketers in most operating countries. In 2024 with the upgraded plant we will also be selling to PIC/S countries.

- **Optima** - Optima division ensures that no one in India falls short of AFD's medicines. More than 350 products in various therapeutic segments are sold across India at affordable prices.
- **Franchisees** – Targeting smaller towns and harder to reach places AFDIL has franchised out some of its brands to independent distributors and sellers. This business is expected to grow at over 100% year on year.

OPPORTUNITIES AND CHALLENGES

The COVID-19 pandemic has transformed the industry with increasing digitization and traction of e-pharmacy and pharmacy chains. Increased healthcare coverage and better policy support are likely to boost growth whereas adverse regulation could impact in a negative way.

Factors which impact Industry and Company include:

- **E-pharmacy and Pharmacy Chains:** New-age channels are gaining increasing salience and have emerged as an additional access point for consumers along with brick-and-mortar retailers. The rapid growth of the sector further driven by COVID-19 tailwinds has led to the entry of conglomerates and e-commerce players like Reliance, TATA and Flipkart. Propelled by the impact of the pandemic and its impact on consumer behavior, the online pharmacy channel is expected to continue growing and it is estimated to reach 70 Million households by 2025.
- **Ayushman Bharat** : The central government's health insurance scheme, Ayushman Bharat – Pradhan Mantri Jan Arogya Yojana (AB-PMJAY), is expected to drive up public health insurance coverage. Over 18 crore e-cards had been distributed to PMJAY affiliates, while coverage under the scheme itself is limited to hospital inpatient care, it will allow a growing number of patients to gain access to healthcare, increasing rates of diagnosis and raising disease awareness. This will further benefit private clinics and the retail pharmacy sector.
- **GST** : The Indian Government is looking at rationalizing GST rates. Currently, majority of drugs are in 12% category. If drugs are put in higher category and if it is not implemented rationally, it may impact the industry.
- **OTC Drug Regulations** : The OTC sector in India has been growing at a healthy rate driven by growing access to information for patients and willingness to self-medicate. The Ministry of Health (MOH) has published a draft notification which proposes to allow 16 OTC drugs used for treatment of common ailments to be sold without doctor's prescription. The MOH also plans to formulate an OTC regulation to promote responsible self-medication for treatment of common ailments, which will also enhance access to healthcare services. Any policy mandate is likely to benefit the Company given its dedicated OTC vertical.
- **Uniform Code of Pharmaceutical Marketing Practices (UCPMP)** : UCPMP, while currently voluntary, could become mandatory in future. A mandatory code would require ethical marketing practices to be followed by all companies. Given that the Company has robust compliance processes in place, it

would be well positioned under a strict enforcement of UCPMP.

- **NMC Regulations** : The National Medical Council has published draft Registered Medical Practitioner (Professional Conduct) Regulations, 2022, which has proposed several restrictions on RMP's engagements with the pharmaceutical industry and proposed changes in prescription guidelines. The draft once notified will replace the existing MCI regulations.
- **Digital Engagement** : Field force activity witnessed major disruption during the pandemic prompting companies to utilize digital means for engagement with Healthcare Professionals (HCPs). The trend is expected to continue with HCPs looking for high quality, scientific promotional material that is available at their convenience.

OUTLOOK

The Indian pharmaceutical industry has been experiencing steady growth with a focus on generic medicines. It is expected that spending on pharmaceuticals in India will continue to increase, with a CAGR of 7.5-10.5% between 2023-27 to reach US\$ 35-39 Billion annually. The industry's continued focus on generics is a key factor to its growth, as they are typically priced lower than scheduled medicines. The industry's low-cost structure and its ability to produce large quantities of medicines have also made it a key player in the global pharmaceutical market.

Active Pharmaceutical Ingredients (APIs): The global market for Active Pharmaceutical Ingredients (APIs) has been growing steadily and is expected to continue growing from US\$ 210 Billion to reach US\$ 292 Billion by 2027, at a CAGR of 5.64% during 2021-27.

Consumer Healthcare (CHC) Market: The consumer health industry has demonstrated impressive resilience throughout the past three years of the COVID-19 pandemic. Despite the challenges posed by the outbreak, the industry has maintained steady growth, with categories such as Vitamins, Minerals, and Supplements (VMS) stepping up to compensate for the shortfalls in Cold/flu and Pain categories during periods of lockdown and social distancing. The global consumer healthcare market was valued at \$280.1 billion in 2022, and is projected to reach \$574.4 billion by 2032, growing at a CAGR of 7.5% from 2023 to 2032.

RISKS AND CONCERNS

High government control on drug pricing through the National List of Essential Medicines (NLEM) and Drug Price Control Orders (DPCO) along with restrictions on trade margins mark-ups create price pressure across the industry. Expansion of NLEM will remain a critical risk for the Company. Further, any supply chain disruptions due to new waves of the pandemic or geo-political incidents might affect operations negatively.

Similarly, any material rejig of the government's spending priorities could have a knock-on effect on the activities of the Company and consequently on its revenues.

Also, your Company's increasing exposure to international markets brings with it inherent risks like Foreign Currency Risk and Interest Rate risk. In addition, there are various external risk factors like a prolonged slowdown in India and/or the global economy, military exercise, change or delay in domestic economic reforms, political instability, hostilities, natural disasters, pandemics, terrorist attacks, civil unrest and other

acts of violence could adversely affect the financial markets and our business.

Efficiency improvement : Our focus has always been on sustainable cost reduction via technology interventions and process enhancements. We are also directing our efforts to reduce working capital deployment across our businesses. Sustained efforts are being made to further improve our manufacturing efficiencies, optimise our manufacturing footprint and reduce overall fixed costs.

INTERNAL CONTROL SYSTEMS AND ADEQUACY

We believe the Company has a proper and adequate internal control system commensurate with the size and scale of its operations to in place to ensure that all activities and transactions are monitored, authorized, recorded and reported correctly. An Internal Audit system is in place to conduct a regular check and review of accounting methodologies with a view to improving the control systems. The Audit Committee of the Board of Directors has appraised the adequacy of internal controls.

HUMAN RESOURCES

Human Resources (HR) remained a key focus area for your Company during the year under review. Various HR initiatives are taken to align the HR policies to the requirement of the business. The Company provides employees with a fair and equitable work environment and support to develop their capabilities. We are also focused on bringing in new talent and competencies to aid the Company's growth strategy.

The Company engaged the services of NSDL for facilitating remote e-Voting to enable the Members to cast their votes electronically.

The Company sent the Postal Ballot Notice in electronic form only to those Equity Shareholders whose names appeared in the Register of Members/List of Beneficial Owners as received from NSDL and CDSL and whose e-mail addresses were available with the Company/Depositories/the Depository Participants/the Company's Registrar and Share Transfer Agent as on the cut-off date. Voting rights were reckoned on the paid-up value of the shares registered in the names of the Members as on the cut-off date i.e., Friday, 16th February 2024. Members who desired to exercise their votes by electronic mode were requested to vote before close of business hours on the last date of e-Voting.

The Scrutinizer, after the completion of scrutiny, submitted his report and the consolidated results of the Postal Ballot through remote e-Voting were announced by the Company Secretary on 23rd March 2024. The results are displayed on the website of the Company, www.afdil.com besides being communicated to the stock exchange, depository and Registrar and Share Transfer Agent. The resolutions are deemed to have been passed on 23rd March 2024, the last date specified for receipt of votes through remote e-Voting process.

- e. Details of special resolution proposed to be conducted through postal ballot:

As of the date of the Report, no special resolutions are proposed to be conducted through postal ballot.

INDEPENDENT AUDITOR’S REPORT

**TO THE MEMBERS OF
ANGLO-FRENCH DRUGS & INDUSTRIES LIMITED**

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Anglo French Drugs & Industries Limited (“the Company”, “AFDIL”), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the material accounting policies and other explanatory information (hereinafter referred to as “the financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and

we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate, read with the paragraph below, to provide a basis for our audit opinion on the financial statements.

Emphasis of Matter

(a) We draw attention to Note 11 to the financial statements regarding outstanding from Viva Remedies since 16th December, 2014. The matter was sub judice at the Court of the XXXIII Additional Chief Metropolitan Magistrate and was settled during the preceding financial year. The Balance still outstanding as on the reporting date amounting ₹ 78.52 Lakhs had been provided in the books and the company had sought requisite approval from IDBI Bank for write off of the said balance from books of account which is pending as on reporting date.

(b) We draw attention to the information given in item (ii) under Note 36 to the financial statements on royalty payable of ₹ 47.13 lakhs included under ‘Selling & distribution expenses’ to Lupin Ltd during the year which is based on percentage of margin (depending on territory where sales made) on sales (net of freight) invoices raised on overseas customers for registered Lupin brands by the Company. The said payment is made on the basis of meetings held and electronic mail communication between the Company and Lupin Ltd though the agreement specifying the terms and conditions is yet to be obtained.

Our opinion is not modified in respect of the above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon; we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matters	Principal audit procedures
<p>Investment in Mutual Funds (Equity and Debt oriented) ₹ 124.69crores as on 31-3-2024</p> <p>The Company had sold the portfolio of brand (including all rights and interests associated with the products) along with identified intangible assets including without limitation all intellectual property rights on 5th April 2022 based on approval by the shareholders of the Company in the EGM held on 28.02.2022 to Lupin Limited at a consideration (net) of ₹ 291 crores. This exceptional non-recurring income was required to manage the financial crisis the Company was encountering at that time.</p> <p>The cash inflow from the brand sale was partly applied by the Company in strategic investments in Mutual Fund(Equity and debt oriented) as mentioned above which was utilized for various investing activities like upgradation of plant and machinery for facilitating export sales, various civil work and increasing the production capacity and a portion of funds for financing activities like buy back of its shares, payment of buy back tax and payment of dividend.</p> <p>Due to the movement of the said strategic investments and anticipating further application in the near future the investments in mutual fund have not been stated at fair value and the unrealized gains/losses in fair value have not been routed through Profit and Loss (FVTPL) or Other Comprehensive Income (FVOCI). The management is apprehensive of frequent variances in profit if the above accounting was done.</p> <p>The strategic investments in Mutual Funds is in the interests of business and fulfilling its various financing, investing and even operating activities.</p>	<p>During the course of Engagement we had verified the compliance of Schedule III Division II of the Companies Act, 2013 in relation to the investments in Mutual Funds under ‘Current Financial Assets’ and accordingly the disclosure was given in line with as follows</p> <ul style="list-style-type: none"> (a) Investments in Equity Instruments; (b) Investment in Preference Shares; (c) Investments in government or trust securities; (d) Investments in debentures or bonds; (e) Investments in Mutual Funds; (f) Investments in partnership firms; and (g) Other investments (specify nature). <p>We had verified the Portfolio statement provided by the fund managers (IIFL Wealth and Kotak Securities) which had served as an external confirmation (complying with SA 505) and had verified the Balances with the System generated Trial Balance and the Ledger extracts.</p> <p>For the investments made directly and not through Fund Managers amounting ₹ 760.99 lakhs verification was made from the related Statement of Account and the Ledger extracts provided.</p> <p>However, the fair values of the Investments as on the reporting date have been disclosed under item (i) to Note No.13 recognising the requirement of IND AS 109.</p>

Key audit matters	Principal audit procedures
<p>Doubts regarding certainty of the Company's continuity in the foreseeable future</p> <p>With significant reduction in operations over the years and focus more on trading activities and orders from Lupin to whom the Company had sold its brand, the Company is incurring operating losses despite exceptional income of ₹ 291 crores during the preceding financial year from Lupin towards the said sale of brand. The employee strength has reduced from 653 in 31-3-2021 to 211 as on 31-3-2024. These factors bring forth doubts regarding certainty of the Company's continuity in the foreseeable future.</p>	<p>Audit Procedure</p> <p>We have found that operating losses are incurred despite the income earned from Sale of Brand to Lupin Ltd. We have also observed the fall in employee strength by 36.8% during the current year compared to the corresponding previous period. The Company is more into trading activities and raising bills towards conversion charges for the requirement of Lupin through AFD Labs.</p> <p>We had observed that Company's endeavour is to foster its export sales and for this its Plant was upgraded and old machinery replaced. The Company had not done any impairment testing to ascertain that the recoverable value is more than the carrying value.</p> <p>We had referred to the minutes of the Board Meeting held in February 2022 where the Board had expressed its optimism and plans to make the Peenya Plant of the Company a profit centre through expansion for export sale promotion.</p>
<p>Applicability of Corporate Social Responsibility (CSR)</p> <p>Section 135 of the Companies Act, 2013 on Corporate Social Responsibility (CSR) is not applicable for the Company though there was a profit of more than ₹ 5 crores in the preceding financial year. It may be noted that the profit of the preceding year was after considering the exceptional income (sale of brand to Lupin) ₹ 291 crores from sale of Brand to Lupin and if the said exceptional item had not been considered a loss would have arisen.</p> <p>Section 198 (3) of the Companies Act, 2013 also lays down that profits arising from sale of undertaking (capital profits) and from sale of immovable property (sale of Brand is of similar nature) are not to be considered for computation of net profits of a company. Accordingly for the purpose of CSR the exceptional income not considered for the computation of profits had resulted in negative profit and the above provision became inapplicable.</p>	<p>Audit Procedure</p> <p>We had perused the minutes of the meeting of the Corporate Social Responsibility Committee of the Board of Directors and had referred to the provisions of Sections 135 and 198 of the Companies Act.</p> <p>An explanatory note given under Note 36 to the Financial Statements on the Company not required to spend for CSR due to the above.</p>

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or

otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and

other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- a) We have sought and obtained all the information and explanations read with the "Emphasis of matter" [second part of 'Basis for Opinion' paragraph], which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements (refer note 43).
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or

loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- v. The Management has represented that, to the best of its knowledge and belief, no funds have been received by the company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

Based on the audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

- vi. The dividend paid by the Company during the year in respect of the dividend declared in the previous year is in accordance with Section 123 of the Act to the extent it applies to the payment of dividend.
- h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating

effectiveness of such controls, refer to our separate report in "Annexure A".

- i) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in Paragraphs 3 & 4 of the Order.
- j) Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **ANGLO-FRENCH DRUGS & INDUSTRIES LIMITED** (“the Company”) as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls or covertness in regard to purpose for certain material expenses related to the Company, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, subject to the matter mentioned in preceding para above, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

1. (a) The Company has maintained proper records showing full particulars including quantitative details and situation of its Property, Plant and Equipment on the basis of available information.
 - (b) The Company has maintained proper records showing full particulars of the intangible assets.
 - (c) The Company has a regular programme for physical verification of its Property, Plant and Equipment by which its Property, Plant and Equipment are verified in a phased manner on a rotational basis covering all the items over a period of time. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
 - (d) According to the information and explanation given to us by the Management, the Company has disclosed details of all immovable property (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) in the financial statements for which the title deed is in the name of the Company.
 - (e) According to the information and explanation given to us by the Management, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
 - (f) According to the information and explanation given to us by the Management, there has been no proceedings initiated against or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act 1988 and rules thereunder.
 2. (a) The inventories have been physically verified by the Management during the year. In our opinion, the frequency of physical verification is reasonable and procedure adopted by the Management for physical verification is reasonable and adequate in relation to the size of the Company and nature of its business.
 - (b) The Company has been sanctioned working capital limit by Bank in excess of ₹ 5 crores on the basis of the
 - (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2024 on account of
- security of current assets during the year. The statements as required have been submitted to the bank and are in agreement with the books of account other than an item of Stores whose value in the returns is ₹ 91.49 lakhs lower as compared to the books due to inclusion of chemicals, consumables and promotional materials in the item as explained by the management.
3. During the year, the Company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties.
 4. According to the information and explanations given to us by the management the Company has not given any loans, or provided any guarantee or security as specified under Section 185 of the Companies Act, 2013 (“the Act”). In respect of the investments made by the Company, in our opinion the provisions of Section 186 of the Act have been complied with.
 5. The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.
 6. The maintenance of cost records has been specified by the Central Government under Section 148(1) of Companies Act for the nature of manufacturing activities carried on by the Company. The Company has maintained the prescribed accounts and records. We have not made a detailed examination of those records and have relied on the report of the Cost Auditor.
 7. (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees’ State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities. There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees’ State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2024 for a period of more than six months from the date they became payable.

8. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
9. (a) According to the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us, the company has not been declared as a wilful defaulter by any Bank or Financial Institution or any other lender.

- (c) According to the information and explanations given to us, the Company has not obtained any term loans during the year other than a vehicle loan taken during the year which was applied for the purpose for which the loans were obtained. Accordingly, clause 3(ix)(c) of the Order is not applicable.
- (d) According to the information and explanations given to us, the Company has not raised any short-term funds during the year. Accordingly, clause 3(ix)(d) of the Order is not applicable.
- (e) According to the information and explanations given to us, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures. Accordingly, clause 3(ix)(e) of the Order is not applicable.
- (f) According to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies. Accordingly, clause 3(ix)(f) of the Order is not applicable.
10. (a) According to the information and explanations given to us, the Company has not raised money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us, during the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible). Accordingly, clause 3(x)(b) of the Order is not applicable.
11. (a) According to the information and explanation given to us, no fraud by the Company or any fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) In our opinion and according to the information and explanations given to us, the Company has not received any whistle blower complaints during the year.
12. The Company is not a Nidhi Company. Accordingly, clause 3(xii) (a) to (c) of the Order is not applicable.
13. In our opinion and according to the information and explanation given to us, the Company is in compliance with Sections 188 and 177 of the Companies Act 2013 where applicable, for all transactions with the related parties and the details of the related party transactions have been disclosed in the financial statements etc as required by the applicable accounting standards.
14. (a) The Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
15. In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him.
16. (a) The company is not required be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b), and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
17. According to the information and explanation given to us, the Company has incurred cash losses in the financial year but has not incurred any cash losses in the immediately preceding financial year.
18. There has been no resignation of the statutory auditors of the Company during the year.
19. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
20. According to the information and explanations from the management and on the basis of verification of records made available to us, provision of Section 135 of the Companies Act, 2013 on Corporate Social Responsibility is not applicable for the Company as on reporting date.

NOTES TO ACCOUNTS

1 GENERAL INFORMATION

Anglo French Drugs & Industries Limited ("the company") is a company limited by shares, incorporated and domiciled in India having its Registered Office at Bengaluru. The company is primarily engaged in manufacturing of pharmaceutical formulations. As per letter no MSE/LIST/2018/18 dated January 1, 2018 issued by the Metropolitan Stock Exchange, Equity shares of the Company are listed and admitted to dealings on the Exchange w.e.f. January 4, 2018 vide notice number MSE/LIST/5903/2018 dated January 1, 2018.

The Board of Directors approved the financial statements for the year ended March 31, 2024 and authorised for issue on 28th May 2024

2 MATERIAL ACCOUNTING POLICIES

This note provides a list of the material accounting policies adopted in the preparation of these separate financial statements of the company. These policies have been consistently applied to all the periods presented, unless otherwise stated.

2.1 Basis of Preparation and Presentation

(i) Compliance with Ind AS

The Standalone Financial Statements of the Company which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity for the year ended 31st March, 2024, and a summary of the material accounting policies and other explanatory information (together hereinafter referred to as "Standalone Financial Statements") have been prepared in accordance with Indian Accounting Standards notified under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, the provisions of the Companies Act, 2013 ("the Act") to the extent notified, guidelines issued by the Securities and Exchange Board of India (SEBI) and other accounting principles generally accepted in India. These financials have been prepared on the assumption of going concern on accrual basis.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- equity investments in entities other than subsidiary, joint ventures and associate which are measured at fair value;
- Certain financial assets and liabilities that are measured at fair value;
- defined benefit plans – plan assets measured at fair value.

(iii) Use of estimates

In preparing the financial statements in conformity with generally accepted accounting principles, management is required to make judgements, estimates and assumptions that may affect the reported amounts of assets and liabilities and the disclosure of contingent assets & liabilities as at the date of consolidated financial statements and the amounts of revenue and expenses during the reported period. The estimates and assumptions used in the accompanying consolidated financial statements are based upon management's evaluation of facts and circumstances as at the date of

the consolidated financial statement. Actual results could differ from those estimates. Estimates and underlying assumption are reviewed on an ongoing basis. Any revision to such estimates is recognised in the period the same is determined.

2.2 PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment is stated at historical cost less accumulated depreciation and impairment losses, if any. Historical Cost represents direct expenses incurred on acquisition of the assets and the share of indirect expenses relating to acquisition allocated in proportion to the direct cost involved. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to statement of profit or loss during the reporting period in which they are incurred.

Transition to IND AS

On transition to IND AS, the company had elected to continue with the carrying value of all property plant and equipment recognized as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property plant and equipment.

Depreciation methods, estimated useful lives and residual value

Depreciation on property, plant and equipment is provided on 'Straight Line Method' based on useful life as prescribed under Schedule II of the Companies Act 2013. The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed and adjusted if appropriate at the end of each reporting period.

Derecognition

The carrying amount of an item of property, plant and equipment is derecognised on disposal or when no future benefits are expected from its use or disposal. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

2.3 INTANGIBLE ASSETS

Measurement at recognition:

Intangible Assets are stated at acquisition cost, net of accumulated amortisation and accumulated impairment losses, if any. Intangible assets are amortised on a straight line basis over their actual useful lives or upto 6 years whichever is lower. The amortisation period and the amortisation method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly.

The cost of an intangible asset comprises of its purchase price including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities) and any directly attributable expenditure on making the asset ready for its intended use. Expenditure on development eligible for capitalisation are carried as 'intangible assets under development' when such assets are not yet ready for the intended use.

Subsequent Expenditure:

Subsequent Expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the company.

Derecognition:

The carrying amount of an intangible asset is derecognized on disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Profit and Loss.

2.4 FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) FINANCIAL ASSETS:

(A) Classification:

The company shall classify financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit or loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

(B) Initial recognition and measurement:

A financial asset is classified as measured at

- Amortised Cost;
- FVOCI — debt instruments;
- FVOCI - equity investment; or — FVTPL

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at FVTPL, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the company commits to purchase or sell the asset.

Debt instruments:

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss.

Debt instruments included within the fair value through profit and loss (FVTPL) category are measured at fair value with all changes recognized in the statement of profit and loss.

(C) Derecognition:

A financial asset (or, where applicable, a part of a financial asset or part of similar financial assets) is primarily derecognised (i.e. removed from the company's balance sheet) when the rights to receive cash flows from the asset have expired, or the company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognise the transferred asset to the extent of the company's continuing involvement. In that case, the company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the company could be required to repay.

(D) Impairment:

In accordance with Ind-AS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- (a) Financial assets that are debt investments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance, Lease receivables
- (b) Trade receivables

The company follows 'simplified approach' for recognition of impairment loss allowance on:

Trade receivables which do not contain a significant financing component.

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

(ii) FINANCIAL LIABILITIES:

(A) Classification:

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for

financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

(B) Initial recognition and measurement:

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

(C) Derecognition:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

(iii) OFFSETTING FINANCIAL INSTRUMENT:

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the company or the counterparty.

(iv) INCOME RECOGNITION:

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

2.5 CASH AND CASH EQUIVALENTS

Cash and Cash equivalents comprise cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments. To be classified as cash and cash equivalents, the financial asset must:

- be readily convertible into cash;
- have an insignificant risk of changes in value; and
- have a maturity period of three months or less at acquisition.

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at FVTPL, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the company commits to purchase or sell the asset.

2.6 (f) REVENUE RECOGNITION

(A) Sale of goods

Revenue is measured at the transaction price/fair value of the consideration received or receivable duly adjusted for variable consideration & customer's right to return the goods and the same represents amounts receivable for goods and services provided in the normal course of business. Revenue also excludes taxes collected from customers. Any retrospective revision in prices is accounted for in the year of such revision.

Revenue is recognised at a point in time on accrual basis as per the terms of the contract, when there is no uncertainty as to measurement or collectability of consideration. When there is uncertainty as to measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved.

When sales discount and rebate arrangements result in variable consideration, appropriate estimates are made and estimated variable consideration is recognised as a deduction from revenue at the point of sale (to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue will not be required). The company typically uses the expected value method for estimating variable consideration, reflecting that such contracts have similar characteristics and a range of possible outcomes.

The contract asset or a contract liability is recognised when either party to a contract has performed, depending on the relationship between the entity's performance and the customer's payment. When the company has a present unconditional right to consideration, it is recognised separately as a receivable.

The company has applied Ind AS 115 on and from 1st April, 2018 using the modified retrospective approach (cumulative catch up method) and therefore the comparative information has not been retrospectively restated.

(B) Export Incentive

Duty drawback is recognized at the time of exports and the benefits in respect of advance license received by the company against export made by it are recognized as and when goods are imported against them.

(C) Interest Income

Revenue from interest is recognised on accrual basis and determined by contractual rate of interest.

(D) Dividend Income

Dividend income is stated at gross and is recognized when right to receive payment is established.

2.7 EMPLOYEE BENEFITS

The company has various schemes of retirement benefits such as Provident Fund, Superannuation Fund and Gratuity Fund duly recognized.

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting

period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

The employees of the company are entitled to leave benefits as per the policy of the company. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in other comprehensive income.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(ii) Post-employment obligations

The company operates the following post-employment schemes:

Gratuity obligations –

Maintained as a defined benefit retirement plan and contribution is made to Gratuity Fund established as Trust maintained by the company. The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Provident Fund –

The company pays provident fund contributions to a fund administered by Government Provident Fund Authority. The company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

Superannuation Fund -

With respect to Superannuation Fund, which is maintained for few employees is contributed Life Insurance Corporation of India under LIC Superannuation Policy

2.8 LEASES

Transition to Ind AS 116

Ministry of Corporate Affairs (“MCA”) through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases which replaces the existing lease standard, Ind AS 17 Leases and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees. The Company has adopted Ind AS 116, effective annual reporting period beginning April 1, 2019 and applied the standard to its leases, retrospectively, with the cumulative effect of initially applying the standard, recognised on the date of initial application (April 1, 2019). Accordingly, the Company has not restated comparative information, instead, the cumulative effect of initially applying this standard has been recognised as an adjustment to the opening balance of retained earnings as on April 1, 2019.

(i) FOREIGN CURRENCY TRANSLATION

On March 28, 2018, Ministry of Corporate Affairs (“MCA”) has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

The company has adopted amendments prospectively to items in scope of the appendix that are initially recognised on or after the beginning of the reporting period in which the appendix is first applied (i.e. from 1st April, 2018).

(i) Presentation Currency

These Financial Statements are presented in INR which is the Functional Currency of the company.

(ii) Transactions and balances

The foreign currency balances receivable/payable as at the year end are converted at the closing rate and exchange difference has been recognized in the statement of Profit and Loss. The company classifies all its foreign operations as integral in nature.

On consolidation, exchange differences arising from the translation of any net investment in foreign entities, and of other financial instruments are recognised in other comprehensive income.

2.9 TAXES ON INCOME

Current income tax is recognized based on the amount expected to be paid to the tax authorities, using tax rates and tax laws that have been enacted or substantially enacted on the date of balance sheet.

Deferred income tax is provided using the liability method, on temporary differences arising between the tax bases of assets and liabilities. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it

is probable that future taxable amounts will be available to utilise those temporary differences and losses.

If the company has carry forward unabsorbed depreciation and tax losses, all deferred tax assets are recognised only to the extent there is virtual certainty supported by convincing evidence that sufficient taxable income will be available against which such deferred tax assets can be realised.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.10 EARNINGS PER SHARE

Basic earnings per share is computed using the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed using the weighted average number of shares and dilutive equity equivalent shares outstanding during the period, except when results will be anti-dilutive.

2.11 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

A provision is recognised if, as a result of a past event, the company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognised at the best estimate of the expenditure required to settle the present obligation at the balance sheet date. The provisions are measured on an undiscounted basis.

Provision in respect of loss contingencies relating to claims, litigation, assessment, fines, penalties, etc. are recognised when it is probable that a liability has been incurred and the amount can be estimated reliably.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed, unless the possibility of outflow of resources is remote.

Contingent assets are neither recognised nor disclosed in the consolidated financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

2.12 SEGMENT REPORTING

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

2.13 RESEARCH & DEVELOPMENT

Development of expenditure of certain nature is capitalised when the criteria for recognising an intangible asset are met. The revenue expenditure on Research & Development is written off in the year in which it is accrued.

2.14 INVENTORIES

Inventories are valued at the lower of cost (Weighted average basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads.

2.15 GOVERNMENT INCENTIVES

Government incentives that the company is entitled to on fulfillment of certain conditions, but are available to the company only on completion of some other conditions, are recognized as income at fair value on completion of such other conditions

Incentives that the company is entitled to unconditionally on fulfillment of certain conditions, such incentives are recognized at fair value as income when there is reasonable assurance that the incentives will be received.

2.16 Recent Pronouncements

“Ministry of Corporate Affairs (“MCA”) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

2.17 Material estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the company’s accounting policies.

Estimates and judgments are continuously evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the company’s and that are believed to be reasonable under the circumstances.

The following are the judgements and estimates that the management have made in the process of applying the company’s accounting policies and that have the most material effect on the amounts recognised in the consolidated financial statements.

i) Impairment of trade receivable:

The impairment provisions for trade receivables are based on assumptions about risk of default and expected loss rates. The company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the company’s past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

ii) Post-employment benefits:

The costs of providing pensions and other post-employment benefits are charged to the income statement in accordance with Ind AS 19 ‘Employee benefits’ over the period during which benefit is derived from the employees’ services. The costs are assessed on the basis of assumptions selected by the management. These assumptions include future earnings and pension increases, discount rates, expected long-term rates of return on assets and mortality rates.

iii) Sales returns and rebates:

Revenue is recognised when title and risk of loss is passed to the customer, reliable estimates can be made of relevant and all relevant obligations have been fulfilled, such that the earnings process is regarded as being completed.

Gross turnover is reduced by rebates, discounts, allowances and product returns given or expected to be given, which vary by product arrangements and buying companies. These arrangements with purchasing organisations are dependent upon the submission of claims some time after the initial recognition of the sale.

Because the amounts are estimated they may not fully reflect the final outcome, and the amounts are subject to

change dependent upon, amongst other things, the types of buying company and product sales mix.

Future events could cause the assumptions on which the accruals are based to change, which could affect the future results of the company.

- iv) Assumptions are also made by the management with respect to valuation of inventories, evaluation of recoverability of deferred tax and contingencies.
- v) Previous year's figures have been recompanied / reclassified wherever necessary to correspond with the current year's classification / disclosure
- vi) Rounding off has been done in the relevant notes wherever applicable.

Present value of funded obligations	286	299
Fair value of plan assets	126	184
Deficit of funded plan	160	115
Unfunded plans	0	0

(iv) **Post-Employment benefits**

The significant actuarial assumptions were as follows:

Particulars	March 31, 2024	March 31, 2023
Discount rate	7.20%	7.69%
Salary growth rate	5.00%	5.00%
Expected return on assets	7.20%	7.69%
Mortality	Indian Assured Lives Mortality (2012-14)	Indian Assured Lives Mortality (2012-14)
Withdrawal / attrition rate	5.00%	5.00%

(v) **Sensitivity analysis**

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Particulars	Change in assumption		Impact on defined benefit obligation			
	March 31, 2024	March 31, 2023	Increase by 1%(100bps)		Decrease by 1%(100bps)	
			March 31, 2024	March 31, 2023	March 31, 2024	March 31, 2023
Gratuity						
Discount rate	1%	1%	(15)	(16)	17	18
Salary growth rate	1%	1%	14	16	(13)	(15)
Withdrawal rate	1%	1%	2	3	(2)	(3)

Particulars	Change in assumption		Impact on defined benefit obligation			
			Increase by 1%(100bps)		Decrease by 1%(100bps)	
	March 31, 2024	March 31, 2023	March 31, 2024	March 31, 2023	March 31, 2024	March 31, 2023
Leave Encashment						
Discount rate	1%	1%	(3)	4	3	(4)
Salary growth rate	1%	1%	3	4	(3)	(3)
Withdrawal rate	1%	1%	0	0	(0)	(1)

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method i.e. projected unit credit method has been applied as that used for calculating the defined benefit liability recognised in the balance sheet.

(vi) **The major categories of plan assets are as follows:**

Particulars	March 31, 2024		March 31, 2023	
	Amount in lakhs	in %	Amount in lakhs	in %
Investment funds with Kotak Gratuity Group Plan (UNI-107L010V05)	126	100%	184	100%
Total	126	100%	184	100%

The Company pays contribution to Kotak Gratuity Group Plan (UNI-107L010V05) which in turn invests the amount in various instruments. As it is done by Kotak Gratuity Group Plan (UNI-107L010V05) in totality basis along with contributions from other participants, the Company wise investment in planned assets - category / class wise is not available.

(vii) **Risk exposure**

The defined benefit obligations have the undermentioned risk exposures :

Interest rate risk : The defined benefit obligation is calculated using a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

Salary Inflation risk : Higher than expected increases in salary will increase the defined benefit obligation.

Demographic risk : This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria.

(viii) **Defined benefit liability and employer contributions**

Expected contribution to post employment benefit plan for the year ended March 31, 2024 is 38 lakhs (Year ended 31.03.23 ₹38 lakhs)

The weighted average duration of the defined benefit obligation is 10.82 years (March 31, 2023 - 11.31 years) in case of Gratuity and 10.82 years (March 31, 2023 - 11.31 years) in case of Leave encashment in all the three years. The expected maturity analysis of undiscounted gratuity and leave encashment is as follows :

36 (i) Royalty Expense include amount payable to Lupin Ltd during the year which is based on percentage of margin (depending on territory where sales made) on sales (net of freight) invoices raised on overseas customers for registered Lupin brands by the Company. The said payment is made on the basis of meetings held and e-mail communication between the Company and Lupin Ltd though the agreement specifying the terms and conditions is yet to be obtained.

(ii) Section 135 of the Companies Act, 2013 on Corporate Social Responsibility (CSR) is not applicable for the Company though there was a profit of more than ₹ 5 crores in the preceding financial year. It may be noted that the profit of the preceding year was after considering the exceptional income ₹ 291 crores from sale of Brand to Lupin and if the said exceptional item had not been considered a loss would have arisen.

Section 198 (3) of the Companies Act, 2013 also lays down that profits arising from sale of undertaking (capital profits) and from sale of immovable property (sale of Brand is of similar nature) are not to be considered for computation of net profits of a company. Accordingly for the purpose of CSR the exceptional income not considered for the computation of profits will result in negative profit and the above provision will be inapplicable.

(ii) Fair Value Hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are:

- (a) recognised and measured at fair value and
- (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the accounting standard.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, security deposits included in level 3."

(iii) Assets and liabilities which are measured at amortised cost for which fair values are disclosed

All the financial asset and financial liabilities measured at amortised cost, carrying value is an approximation of their respective fair value.

(iv) **Significant estimates**

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The company uses its judgement to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period.

41 FINANCIAL RISK MANAGEMENT

The Company's activities expose it to market risk (i.e., currency risk, interest rate risk and market price risk), liquidity risk and credit risk. This note explains the sources of risk which the Company is exposed to and how the Company manages the risk :

The company's risk management is carried out by a treasury department under policies approved by the Board of Directors, Company Treasury identifies, evaluates and hedges financial risks in close co-operation with the company's operating units. The Board provides principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of non-derivative financial instruments and investment of excess liquidity.

(A) Market risk

(i) Foreign currency risk

The Company operates internationally and is exposed to foreign exchange risk arising from foreign currency transactions. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the respective companies' functional currency.

The exposure of the Company to foreign currency risk is not significant. The position of foreign currency exposure to the Company as at the end of the year expressed in USD are as follows :

(in lakhs)

Currency	Receivables	Payables
March 31, 2024		
US Dollar (USD)	2	-
Net exposure to foreign currency risk	2	-
March 31, 2023		
US Dollar (USD)	8	-
Net exposure to foreign currency risk	8	-
March 31, 2022		
US Dollar (USD)	4	-
Net exposure to foreign currency risk	4	-

(ii) Interest rate risk

The exposure of the company's borrowing to interest rate changes at the end of the reporting period depends on the mix of fixed rate and floating rate of the borrowings and the expected movement of market interest rate. The status of borrowings in terms of fixed rate and floating rate are as follows:

Particulars	March 31, 2024	March 31, 2023
Variable Rate borrowings	413	934
Fixed Rate borrowings	489	1,672
Total borrowings	902	2,606

(iii) Price risk

The company's exposure to equity securities price risk arises from investments held by the company in equity securities and classified in the balance sheet as at fair value through profit or loss. However, company does not have a practice of investing in market equity securities with a view to earn fair value changes gain. As per the company policies, whenever any investment is made by the company in equity securities, the same is made either with some strategic objective or as a part of contractual arrangement. Further, at the reporting date company does not hold material value of quoted securities. Accordingly, company is not exposed to significant market price risk.

(A) Credit risk

Credit risk arises when a counter party defaults on contractual obligations resulting in financial loss to the company.

Trade receivables consist of large number of customers, spread across diverse industries and geographical areas. In order to mitigate the risk of financial loss from defaulters, the Company has an ongoing credit evaluation process in respect of customers who are allowed credit period. In respect of walk-in customers the company does not allow any credit period and therefore, is not exposed to any credit risk.

In general, it is presumed that credit risk has significantly increased since initial recognition if the payments are more than 30-120 days past due on case to case basis.

(ii) Reconciliation of loss allowance provision – Trade receivables

(B) Liquidity risk

The Company has a liquidity risk management framework for managing its short term, medium term and long term sources of funding vis-à-vis short term and long term utilization requirement. This is monitored through a rolling forecast showing the expected net cash flow, likely availability of cash and cash equivalents, and available undrawn borrowing facilities.

(i) Financing arrangements: The position of undrawn borrowing facilities at the end of reporting period are as follows:

₹ in Lakhs

Particulars	March 31, 2024	March 31, 2023

Cash credit/WCTL facility	188	910

The bank overdraft and cash credit facilities may be drawn at any time and may be terminated by the bank without notice.

(ii) Maturities of financial liabilities

Capital management

(a) Risk management

The company's objectives when managing capital are to safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

Consistent with others in the industry, the company monitors capital on the basis of the following gearing ratio:

Net debt (total borrowings net of cash and cash equivalents) divided by Total 'equity' (as shown in the balance sheet).

44 LEASES

Applicability of Ind AS 116 – As a lessee

Ind AS 116 on “Leases” is mandatory for reporting periods beginning on or after 1st April, 2019 as notified by the Ministry of Corporate Affairs (MCA) vide Companies (Indian Accounting Standards) Rules, 2015 as amended, replacing the existing lease rental recognition criteria. The application of Ind AS 116 has impacted the company’s accounting for recognition of leases payments.

Under this standard, amortisation cost and Finance cost have decreased by ₹ 21 lakhs and decreased ₹ 26 lakh respectively and corresponding yearly rent has increased by ₹ 32 lakhs. The single accounting model introduced by Ind AS 116 recognises a right-of-use asset amounting to ₹ 216 lakhs representing its right to use the underlying assets and a lease liability of the ₹ 266 Lakhs representing its obligation to make lease payments.

The following are the leasing arrangements entered into by the Company which has been considered for IND AS 116.

S r . No	Location	Name of Land Lord	Period		Deposit	Rent P.M.	Rent for One Year

- v. The revenue from contracts with customers for the year also includes the impact of customers' right to return the goods of ₹ 30 Lakhs. The same has been deducted from the transaction price. The corresponding cost of materials to be returned to the company amounting to ₹ 15 Lakhs has been adjusted with the cost of consumption. The corresponding refund liability and right to recover an asset have been recognised in the financial statements.

49 CRITICAL JUDGEMENTS IN APPLYING ACCOUNTING POLICIES

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosures of contingent liabilities. Uncertainties about these assumptions and estimates could result outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Key Assumptions:

The key assumptions concerning the future and other key estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below.

a) Estimated useful life of tangible and intangible assets:

The Company has estimated the useful life based on useful life as specified in Schedule-II to the Companies Act, 2013. The Management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. The estimated useful life and residual values are reviewed at the end of each financial year and if necessary, changes in estimates are accounted. Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the asset.

b) Inventory :

Reviews are made periodically by the management on damaged, obsolete and slowmoving inventories. These reviews require judgement and estimates. Possible changes in these estimates could result in revisions to the valuation of inventories.

Inventories are stated at the lower of cost and net realisable value. Demand levels, exchange rates, technological advances and pricing competition could change from time to time. The company estimates the net realisable value of inventories based on an assessment of sales prices.

The Company's management conducts physical verification of inventories during the year at reasonable intervals. Management was able to perform year end physical verification of inventories, only at certain locations during Feb & Mar24. Management has carried out procedures to validate the existence of its inventory to determine the quantities and value of the inventory at the balance sheet date."

c) Trade Receivable :

The collectibility of receivables is assessed on an on going basis. An allowance for doubtful debts is made for any account considered to be doubtful of collection and also .

Allowance for doubtful debts is made based on a review of all outstanding accounts as at the balance sheet date. A considerable amount of judgement and estimate is required in assessing the ultimate realisation of these receivables, including the creditworthiness, the past collection history of each customer and subsequent collection up to date of report. If the financial conditions of customers of the company were to deteriorate, resulting in an impairment of their ability to make payments, additional allowances may be required."

d) Impairment of Trade Receivable:

The impairment provision for financial assets is based on the assumption about risk of default and expected loss rates. The Company uses judgments in making these assumptions and selecting the input impairment calculation based on the Company past history as well as forward looking assumptions at the end of each reporting period.

e) Defined Benefit Obligation:

The costs of providing pensions and other post-employment benefits are charged to the Statement of Profit and Loss in accordance with Ind AS 19 'Employee benefits' over the period during which benefit is derived from the employees' services. The costs are assessed on the basis of assumptions selected by the management. These assumptions include salary escalation rate, discount rates, expected rate of return on assets and mortality rates. The same is disclosed in Note 23, 'Employee benefits'

f) Fair value measurement :

Fair value measurement of financial instruments When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

g) Current Tax :

The computation of advance taxes, provision for current/deferred tax are made based on significant judgments and which may get revised pursuant to position taken by the tax authorities.

h) Provision and Contingent Liabilities :

The Company exercises judgement in measuring and recognising provisions and the exposures to contingent liabilities related to pending litigation or other outstanding claims subject to negotiated settlement, mediation, arbitration or government regulation, as well as other contingent liabilities (see note 43 to the financial statements). Judgement is necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement. Because of the inherent uncertainty in this evaluation process, actual losses may be different from the originally estimated provision.
